John Prescott has been caught giving a two-fingered salute to SNP members who had gathered at Glasgow's Central station to wave off John Mason, MP, (SNP, Glasgow East ;) as he set off to start his job.

Such respect for the democratic will of the Scottish people.....

TLJ commented: Such respect for the democratic will of the Scottish people..... Prescott is what he's always been - a slob! As he has no self respect he has no concept of respect for any others or any thing.
