Scotschat is a chat room for Scotsgait members letting you can have a real-time conversation with whoever is on line at the time.

All you need to do is enter Scotschat, click on the name of the person you want to chat to and send the message. You can be alerted to incoming messages by opting for a "beep" (not a default). Separate rooms have been set up for footie talk and for on-line help (if there's anyone around who can help !!).

Chats can be held privately if need by (but please make sure you tick the box !).

Although hosted externally, the Scotsgait rules apply. Users can be blocked from the Scotsgait admin panel.
