Part 4 - Chunnels, Chundering and Christians has gone up today in the Scotsblog section.

Sorry for the delay after part 3 of this dramatic serialised tedious self-indulgent kakk if you've been awaiting long with the wet knickers of frustration, but I've been an awfully busy rock-god for the last Copella weeks.

I've plonked up some photies in the Gallery if anyone wants to see the weird looking dude whae is The Wriggers, which also brings the additional benefit of getting this topic back up on top as the last commented on. And I used to think Marketing was easy.
